

Goodwill

Industries of Central Alabama, Inc.

WHO WE ARE

FROM THE PRESIDENT

Goodwill Industries was founded in 1902 in Boston by the Rev. Edgar Helms. Helms collected household goods and clothing in the wealthier areas of the city. He then hired people in need to prepare the goods for resale. The system worked and, 120 years later, there are 155 autonomous local Goodwill agencies in the United States and Canada. Goodwill agencies today focus on helping people with disabilities find employment. Goodwill Industries of Central Alabama is a proud member of the Goodwill network of autonomous, nonprofit organizations. We are providing employment and placement services for people with disabilities. Goodwill partners with the Alabama Department of Vocational Rehabilitation Services to support individuals with disabilities in the community who are seeking employment and job training. Goodwill is accredited by CARF, the Commission on Accreditation of Rehabilitation Facilities. Vouchers are also given to individuals needing help because of personal emergencies. All is made possible because of the generosity of our donors and dedication of our hardworking employees. We sincerely thank you for your continued support.

MEET THE TEAM

FRE AND BOSS

This brother and sister dynamic duo joined our team this past March from Atlanta, Georgia. Fre was a member of the North Atlanta team. Her brother, Boss, has Down syndrome. So, when her mother passed away, she made a promise to her that she would take care of him. Once Fre took on the role as caregiver they decided to move to Montgomery to be close to family. Fre joined our team as our first District Manager of Retail Operations, while you will find Boss running the show at our Eastern Boulevard location! Fre is grateful for Goodwill because Boss is able to work and enjoy himself AND she gets to help others in need. We are so fortunate to have Fre and Boss with our Goodwill family.
